

Mission Statement

The mission of Frontier Community Services is to provide quality, individualized home and community based services for people of all ages who are at risk of, or experiencing a disabling condition, in order to minimize the need for institutional care.

Vision Statement

It is our belief that people are healthier and happier living in their own homes and communities. Based on that belief, Frontier Community Services will advocate for the right of individuals with disabilities of all ages to live in the home and community of their choice.

Providing home and community-based services to residents of the Central Kenai Peninsula and the city of Valdez for over 30 years.

What does FCS do?

We provide individualized assistance as needed by the consumer with daily life including but not limited to: meals, medications, personal care, teaching, training, help planning, shopping, basic housekeeping, errands, assistance with appointments, ordering of supplies, transportation, attending social or recreational activities, and supervision for health and safety.

As a nationally-accredited provider within the state of Alaska, we believe people are healthier and happier receiving services within their own home and community rather than in an institution. If you have this same passion and belief then we invite you to join our team.

We have positions available with:

- Youth
- Seniors
- Developmentally Disabled
